Our property is delightfully private and the atmosphere casually elegant. Sink into the splendors of nature that surround you. Fall in love with the cozy cottages -- private and comfortable -- each one different. Cambridge Beaches, Bermuda's world-class cottage colony resort is situated on its own private 25-acre peninsula with 94 cottage-style rooms and suites, five private beaches, the world-acclaimed European wellness centre, extensive marine rentals, tennis courts putting green, croquet and internationally recognized gourmet cuisine.
